RE: Your notice to quit dated 1 October 2026

I acknowledge receipt of your notice dated 1 October 2026, which asks me to leave by 15 October 2026.

The notice gives 14 days. I understand the Lagos State Tenancy Law sets a minimum notice period for my tenancy, and I ask that you confirm the notice complies with it.

I also note that a tenant can only be removed from the premises by an order of court. I will keep this notice and all receipts, and I am seeking advice on my position.

Yours faithfully,

_____
